

**Trainee Cook (Elgin)**  
**Full time: 37.5 hours weekly**  
**Fixed Term 12 month Contract: 5 days from 7**  
**(Includes weekend working)**

**About the role**

Are you passionate about cookery? Do you have a desire to create fresh, high quality dishes from scratch? Are you interested in taking on a new and exciting challenge? If so, we'd be like to hear from you. Join our hardworking, close knit Restaurant team delivering a 5-star visitor experience to our customers.

You will be

- Preparing, cooking and presenting items from our main menu
- Ensuring the quality of dishes are of a high standard on all occasions
- Maintaining good stock control and storage of food, equipment and cleaning items
- Assisting the Head Chef as and when required
- Adhering to food safety procedures at all times
- Ensuring the highest standards of hygiene and cleanliness within the kitchen

**About You**

You will have

- Enthusiasm for learning
- Some experience of working in a busy, fast-paced kitchen where food is made to order
- Knowledge of food allergies and impacts
- Some familiarity with menu planning activities
- Passion for sourcing and utilising local fresh ingredients and making dishes from scratch
- Excellent interpersonal, teamwork and communication skills
- Attention to detail in the presentation of food and commitment to quality
- Enthusiasm for discovering and learning about new food trends and contributing ideas to the daily 'specials' items and menu changes

## About Us

Johnstons of Elgin is an innovative, luxury clothing brand with over 220 years of experience in working with the world's finest fibres. Across three centuries, our family-owned company has carefully sourced cashmere and fine woollen fibres from around the world, applying the latest technology and highest quality craft expertise in our own vertical Scottish mills. Employing over 850 staff, our valued employees and communities are at the heart of everything we do, producing unique, high-quality designs that are made to last. Our brand is focused on sustainability, working with natural, renewable and biodegradable fibres and we are committed to maintaining a minimal environmental footprint.
